Questions

- Recognition of "Vehicle license plate"

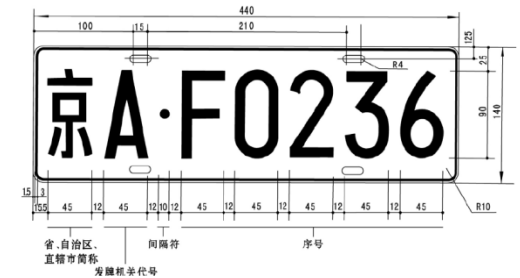

(a) 原图像

图 3.2 我国汽车号牌式样

Input photo (video)

⇩

Output: The vehicle license plate is : ××××××

Requirements

- 1. Project 2 is based on project 1.

- 2. Use "Project Report Format" as a general guide in structuring your final report.

- 3. Every one should finish the project and project report independently. Every student
  is not allowed to copy others' homework, especilly the project reports! I will check carefully codes and the corresponding reports.

- 4. It is better and encouraged to take a photo of a car by yourself, even inputing a video, and then recognize the "Vehicle license plate".

- 5. Codes and the project report should be handed in before…...
